Reed Family and Ministry Praises and Prayer

We praise Him for....

...the **76 ministry partners** who provided financial support for our ministry in February. What a blessing! As we have seen time and time again, **the Lord continues to provide** for our needs, both for the ministry and our family. We are so grateful for all of the churches and families who **faithfully support us** with their prayers and gifts.

...for the **105 churches** that we were able to contact across our territory as part of our statewide "church blitz" in February. After contacting these prospective churches to inform them about Awana, **11 have asked for more information, one has already decided to start in the fall and several are seriously considering Awana at their church.** Praise the Lord!

...God's clear direction on where Ben should attend college in the fall.

...for a great Wichita **Commander College 101** training seminar that took place in January. Pray for the **17 commanders** who attended that they will use the training and information received at CC101 to do **even greater things** as they faithfully serve their local Awana club.

Please pray for...

...our **ministry financially** as we have recently seen an **increase** in health insurance premiums and other ministry related expenses. We are praying for an **additional 20 churches or families** to come alongside us as **financial partners** to help meet this increased need in support.

...**wisdom and understanding** for the leadership of Awana during the current downturn in our economy that is affecting many ministries across the country.

...us as we begin work on our **two fall training conferences** in September and for the **Regional Basic Trainings** to be offered throughout our territory in July and August.

...for these last few months of the club season, that leaders would **finish well** and that the clubbers will **stay motivated** to pass their sections!

...for the **AwanaGames™** and **Sparks-a-Rama** events as well as our final **Bible Quiz** event, all being held on April 4 in Valley Center and Cimarron.

...for **churches** as they seek the Lord's will about **using Awana** as tool in their church to help children and youth know, love and serve the Lord Jesus Christ as a result of being contacted during the "**church blitz**".
